Sew cab section to box, then the rear bumper section to the box. Sew the remaining strip of sky on the top of the block, and, sew the roadway to the bottom.

Baste the truck fabric circles to the middle of the black circles. Folding edges forward $\frac{1}{4}$ " on black circle make a large running stitch around edge. Gather to center to make a yo-yo. Tack yo-yo wheels to your box truck as shown. Embellish as desired.
