

**PREMIE BABY CAP PATTERN**  
**Mimi's Yarn Shop**  
**Medford, Oregon**

Baby fingering yarn, #3 needles for small, #4 needles for large.

Cast on 74 stitches. (Can also divide onto 3 needles of above size, thus eliminating the seam).

K1, P1 (ribbing) for 5 to 8 inches (better too long than too short; edge can be rolled up).

Decrease row: K2 tog, P2 tog to end.

Next 3 rows: K1, P1 (ribbing).

Repeat decrease row.

Cut yarn, leaving 10 inches, and pull through remaining st. Gather. Sew seam.

Do ***not*** use light blue yarn for this cap as the nurses can't tell if the baby's skin should turn (blue) with this color cap.
